General Business

- Tuesday or Wednesday night Season 2024-25? Club feedback
 - TUESDAY NIGHT was the majority decision for Season 2024- 2025
 - After full discussion and feedback from Clubs
- Motion from Moorabbin Bowling Club to the Southern District Electric Light Bowls Association to change the way that Rink Fees are collected for Tuesday night competition:
 - Remove the need for Non-Host clubs give their rink fees to the host club.
 - This will negate the need for individuals to contribute rink fees to cover additional cost where they do not field a full team
 - Clubs can determine their own rink fees for individual players
 - Clubs that provide Greens for other clubs or teams will be able to work out how the rink fees are shared to best suit the parties involved
 - For the Finals Series the rink fees will be determined by Southern District Electric Light Bowls Association and will be provided to the Host Club

Moved Tess Vawser seconded Toni Newell – carried

- BV discussion Matt Ottobre
 - Permit applications – BV PENNANT clarification will be emailed in very near future
 - Implications for SDELBA – permits not required for SDELBA participants - discussed to be clarified in COP

Further to Agenda circulated re BV feedback the following were agreed

- All competitions would be co-branded – BV Night Pennant –SDELBA (similar to the Metro West)
- Results would be consolidated within the BV Results portal under ‘BV Night Pennant’, with region-specific events listed under their own banners.
- A new ‘Night Pennant’ menu would be created under the Pennant section on the BV Website, providing easy access to information about all Night Pennant offerings.
- SDELBA would collaborate with BV to develop Conditions of Play

The following to be considered as relevant in the future perhaps

- Regions would collaborate with BV to develop fixtures, co-branded for unity, with BV taking care of the developmental work using Bowlslink.
 - BV would organise a Finals Series between the Region winners (potentially across multiple grades) at a central venue, with the format determined by BV. This could be introduced this season for existing competitions if there's sufficient demand.
 - If any regions are NOT considering running a Night Pennant competition next season, BV is prepared to take over all aspects of running the competition to encourage participation across all regions.
 - Regions would continue to handle fee collection for the event (we can collect via Bowlslink if preferred) and retain responsibility for decisions which evening of play and format.
- Presentation of
 - Premiership Shields
